

SULTAN AL SHEHHI

SENIOR VICE PRESIDENT PROJECTS & TECHNICAL SUPPORT
BOROUGE

Sultan Al Shehhi is a UAE national holding the position of Senior Vice President for Projects & Technical Support at Borouge since October 2017. He is responsible for managing the company's Projects & Technical Group as well as its strategies and processes towards supporting Borouge's assets, operations, and business growth in line with the shareholders' long-term strategies and directions.

Al Shehhi started his career as Projects Engineer at ADNOC Refining from April 1997 to August 2000. He then moved to Borouge where he took up various managerial positions from September 2000 to March 2014 as Senior Process Engineer, Senior Project Engineer, Project Manager/Senior Project Manager and Vice President Projects Services.

In April 2014 he joined Chemaweyaah where he worked as Vice President Projects until April 2017 when he moved back to ADNOC to take up the position of Manager of Strategic Projects Unit in the Downstream Directorate until October 2017. Al Shehhi then returned to Borouge to become Senior Vice President for Projects & Technical Support.

Al Shehhi holds a Bachelor of Science degree in Chemical Engineering from the University Of Tulsa, Oklahoma, UAS, since May 1996.
