

BIOGRAPHY

RAINER HOEFLING

CHIEF EXECUTIVE OFFICER
BOROUGE PTE LTD

Rainer Hoefling is the Chief Executive Officer of Borouge Pte Ltd based in Singapore. Mr Hoefling was appointed as the company's CEO on 1 November 2021 to steer the company through its next phase of growth.

Prior to joining Borouge, Mr Hoefling was the CEO of Borealis' fertilizers, melamine and technical nitrogen business (Borealis' nitrogen business) since 1 October 2018, where he managed a full business transformation with his dedicated management team to create value and increase customer focus for the business.

Mr Hoefling first joined Borealis in 2007 as Director of its Business Unit Melamine. Since then, he has held the positions of Vice President Polyolefins (PO) Moulding, Vice President PO Advanced Packaging and Fibres and Senior Vice President PO Sales. He was appointed as interim Executive Vice President Polyolefins and Innovation and Technology in April 2018. Before joining Borealis, Mr Hoefling held a number of senior management positions at Teufelberger GmbH, PCD Polymere and Neste Chemicals Germany.

Mr Hoefling holds a Master of Science in Plastic Engineering from the University of Applied Sciences Würzburg, Germany, and a Master of Business Administration from the University of Toronto, Canada. He is a German citizen, married and father of two children.
